NOTICE.

1. This price list cancels all previous Catalogues and quotations for Plants and Bulbs.

2. The prices quoted are *only for small plants*. For full grown specimens, when available, special rates (ascertainable on application), will be charged.

3. The prices quoted in this Catalogue are net (delivered at the Lal-Bagh), packing, cooly, rail and other charges being extra.

4. The Gardens Department, while taking every reasonable precaution, cannot accept any responsibility with regard to the condition of plants after they leave the Gardens except when bad or careless packing is proved. All damage caused by delay in transit or by exposure to the sun at Railway Stations must be borne by the purchaser.

5. Orders not accompanied by a remittance or reference of payment, will, at the discretion of the undersigned, be sent by V. P. P.

6. Postage stamps for amounts exceeding one rupee cannot be accepted unless one anna per rupee be sent in addition to cover the cost of converting the stamps into cash.

7. Remittance by cheques in payment of account with the Gardens, should always include a discount of $\frac{1}{2}$ per cent to cover the charge of cashing the same. *Crossed cheques are not acceptable, as this office has not opened accounts with local banks.*

8. As this is a Government institution, receipts granted by this Office on sums exceeding Rs. 20 are not stamped as per Codal Rules, as such receipts are issued on behalf of Government.

9. Indentors are particularly requested to write their names and addresses legibly when drawing up their orders.

10. ~~All correspondence re order and inquiries may be addressed to the Superintendent, Government Garden, complaint from purchasers and requisition from Botanical Institution for exchanges to the Director.~~

H. C. JAVARAYA
Superintendent.

G. H. KRUMBIEGAL,
Director of Horticulture.

LAL-BAGH, BANGALORE,

15th May 1930.

Hanging wire baskets	.. Each 1—8 to	3	0
Leaf-mould	.. per cart-load	3	0

N.B.—Owing to the planting work largely undertaken at the Lal-Bagh, the leaf mould collected is mostly required for use thereat. But whenever surplus quantity is available, the same can be had at Rs. 3 a cart-load, provided the purchaser sends his own cart in charge of a gardener who should select the best leaf-mould available and help himself in removing it from the pit shown by the Garden authorities.

H. C. JAVARAYA,
*Superintendent,
 Govt. Gardens in Mysore.*
